Helping Deliver a Healthy WA

13 20 50

We aim to deliver an effective, friendly, professional service of high standard.

We will treat you with respect, dignity and care and we acknowledge your cultural and individual needs.

To help us do this we value your comments on the service you received today ...

1. What could we have done better?

2. What did we do well?

3. Do you have any other comments or suggestions?

Thank you
