

Update from the Medical Director

We have celebrated Daffodil Day, and the first day of Spring. BreastScreen is embracing the sense of renewal, with its on-going service improvement changes. The service was delighted to open the new Mandurah Clinic on Daffodil Day. Currently the service is working towards a paper light future, trialling the General Practitioner (GP) secure messaging process in a number of GP clinics, and working towards, an electronic medical record. As part of this process the client invitation and GP result letters have been revised to improve the clarity and utility of these letters.

The Mandurah Clinic is open

The Honourable Mr John Day, Minister for Health, cut the pink ribbon to open the new BreastScreen WA Mandurah clinic at 61 Sutton Street, Mandurah on Daffodil Day, 26 August 2016.

Well done to BSWA staff on the day, and in the lead up to this successful launch.

Along with the Minister, other dignitaries attending the launch included Women and Newborn Health Service Executive Director Dr Peter Wynn Owen, City of Mandurah Mayor Marina Vergone, Member for Canning Mr Andrew Hastie MP, local members Dr Kim Hames and Mr David Templeman, and our very own Dr Liz Wylie who featured on Channel Ten news that evening.

The new, purpose-built facility replaces the visiting mobile unit which has been servicing Mandurah and the broader Peel District for the last 20 years.

As a result, the mobile van will now be able to spend 15 more months during each two-year testing cycle meeting the growing demand in regional areas across the State.

The walls in Mandurah are alive with BSWA budding photographers

Thank you to all of you who entered the photo competition. The entries received were all gorgeous shots from around WA and NT and it was very hard to choose one winner. Therefore the three judges decided on the top five entries to have their pictures mounted on the walls of the BreastScreen Mandurah clinic.

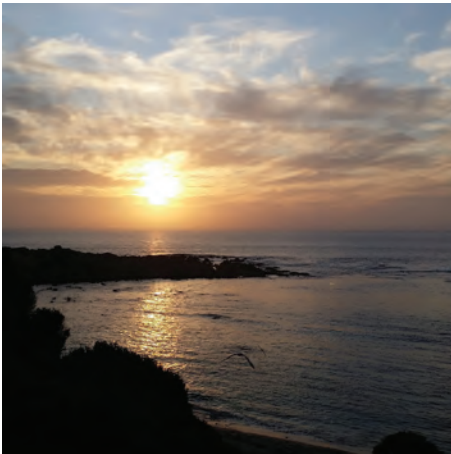

Congratulations to the following winners (in no particular order)...

Lake Yanchep
Dr Eric Khong

Alice Springs & McDonnell Ranges
Alison Adams

Beach sunset - Yallingup
Lorraine Knott

Pelican and statue - Mandurah
Lynne Finlay

Remote WA - near Kalgoorlie
Vikki Rosagro

BSWA featuring on Noongar Radio

Leanne Pilkington from BreastScreen WA was joined by Stacey-Mae Prokopyszyn from WA Cervical Cancer Prevention Program as they shared the latest information on breast and cervical cancer awareness, screening and busted myths on Big Girl's show on Noongar Radio.

Well done to long serving employees

Congratulations to all the BreastScreen WA staff who received long service awards at KEMH on 3 August. Pictured from left... Dr Eric Khong, Elsa Hoogland, Michelle Mitchley, Anna Watts, Mary Nelson, Heather Neu, Cynthia Leal, Melissa Villamil and Flory Fernandes.
