

Government of Western Australia
North Metropolitan Health Service

Receiving your results via SMS

You have elected to receive your results via SMS.

Your results will be sent to you via a **secure** SMS link.

You will be required to enter your date of birth to access the electronic version.

Your phone needs to have internet access to download your results.

SMS is **safe**. If your results are not accessed a letter will be posted.

If you have any queries please email
