

Government of **Western Australia**
North Metropolitan Health Service

Are you looking for a **FREE** guest speaker to talk about breast cancer and breast awareness?

BreastScreen WA provides **FREE** presentations about breast cancer and breast awareness to groups of women, especially those aged 40 years and over.

The presentations are ideal for:

- Community groups (interpreters are available)
- Professional groups (lunch time sessions available).

Topics covered include:

- Breast cancer facts
- Breast cancer risk factors and myths
- Breast cancer screening (mammography)
- Being breast aware

To book a presentation with BSWA's Aboriginal Program Officer please phone 9323 6709 or email breastscreenwa@health.wa.gov.au
