

Are you looking for a **FREE** guest speaker to talk about breast cancer and breast awareness?

BreastScreen WA provides **FREE** presentations about breast cancer and breast awareness to groups, especially women aged 40 years and over.

Topics covered include:

- Breast cancer
- Breast cancer risk factors
- Breast cancer screening (mammography)
- Being breast aware

The presentations are ideal for:

- Community and social groups (after hours sessions available)
- Professional group
- Workplace “Lunch & Learn” sessions

All participants will receive information and can book their screening mammogram after the presentation if they are eligible.

Conditions apply. To enquire about a presentation email:
