

Government of Western Australia
North Metropolitan Health Service

Tell us if you want to receive your results via SMS

If you elect to receive your results via SMS your results will be sent to you via a secure SMS link.

You will be required to enter your date of birth to access the electronic version.

Should you choose to receive your results by SMS, during the transition period you will also receive your results by post.

If you have any queries please email breastscreenwa@health.wa.gov.au
